I am called to be a LEADER, an INFLUENCER!

Leaders are “born” to be “made”

Leadership Types (Maxwell 2008)

Leading (born with it)
Learned (trained for it)
Latent (learning it)
Limited (to be exposed to it)
To become a leader, you have to **improve** yourself!

Be **intentional** in becoming a Leader!

“Living with ability brings responsibility. Dying with ability reveals irresponsibility… The death of a seed (potential) is the burial of a forest.”

*Myles Munroe*

“Many are called, but few are chosen because many ignore God’s calling.”

*Matthew 22:14 (Molmisa version ®)*

**The Lion is considered the King of the Jungle. WHY?**

- He is not the strongest.
- He is not the biggest.
- He is not the fastest.
- He is not the smartest.
It is the attitude of / toward the lion which makes him the king of the jungle.

Our attitude is based on our belief system.

\[ \text{ATTITUDE} \text{ (character)} + \text{APTITUDE} \text{ (natural ability)} + \text{ABILITY} \text{ (acquired skills)} = \text{ALTITUDE} \]

You can do better and greater than what you can think, say, do or imagine at present.

Whatever the mind of man can conceive and believe, it can achieve.
The Parable of Talents
(Matthew 25: 14-30)

God has entrusted something to us (v. 14)

God is happy when we are fruitful. He will give us more! (v. 21)

God hates LAZY servants (v. 26)

Use it or LOSE it! (v. 29)

To whom much is given, MUCH is also required
(Luke 12:48, 1 Cor. 4:2, 2 Cor. 8:12)

“The price of greatness is responsibility.”
Winston Churchill

LEVELS OF LEADERSHIP
(Maxwell 2008)

Position
(position/rights-oriented)
People follow because they “have” to

For Leaders: know your job description. Be aware of the values and history of organization.
LEVELS OF LEADERSHIP (Maxwell 2008)

**Permission**
*relationship-oriented*
People follow because they “want” to

For Leaders: Have genuine love for people more than procedures. Deal wisely with difficult people. Always have a “win-win” solution.

**Production**
*results-oriented for a purpose*
People follow because of “what you have done” for the organization

For Leaders: Accept responsibility for growth. Develop a statement of purpose and communicate it to people.

**People Development**
*follower’s growth/reproduction-oriented*
People follow because of what you have done for them personally

For Leaders: Realize that people are your most valuable asset. Focus on developing and training your people (top 20 percent).

**Personhood**
*credibility/respect-oriented*
People follow because of who you are and what you represent.

For Leaders: Your joy comes from seeing people grow. Preserve the respect and emulation.

1: The higher you go, the LONGER it takes
LEVELS OF LEADERSHIP (Maxwell 2008)

2: The higher you go, the HIGHER LEVEL of commitment/influence

3: The higher you go, the EASIER to Lead/Exert Influence

4: The higher you go, the GREATER the Growth (as people assist you)

5: You can never LEAVE the BASE LEVEL

THE PARABLE OF JOTHAM
(Judges 9:7-15)

True Leader are servants. They are not position-oriented and power-hungry.

Leadership is not Lordship. It is servanthood!
1 Peter 5:1-3

To the elders among you... Be shepherds of God's flock that is under your care, serving as overseers—not because you must, but because you are willing, as God wants you to be...not lording it over those entrusted to you, but being examples to the flock.

Hebrews 13:7

Obey your leaders and submit to them, for they are keeping watch over your souls, as those who will have to give an account. Let them do this with joy and not with groaning, for that would be of no advantage to you.

If you want to be a leader, be a FOLLOWER first!
